

* D A R K * M A T T E R

Starting at the spry age of 10, each sister – **Angelina, Alycia, Riana, and Giovanna Mondavi** – spent their summers learning the family business. A typical summer day for the girls entailed odd jobs throughout the winery, including schlepping hoses, cleaning tanks, soaking bottles, pulling samples, and running analyses. A family tradition of summer winery jobs guided each sister to a deep love for the wine industry.

In conceiving **Dark Matter Wines** in 2005, the Mondavi Sisters remain committed to mastering the significance of hand-crafted wines with the same passion and devotion passed down by the three generations before them.

2018 DARK MATTER LIMITLESS CABERNET SAUVIGNON

"This wine offers immediate aromatics of freshly roasted coffee, dark chocolate, black cherry, and hints of chocolate-covered strawberries and raspberries followed by a plethora of baking and savory spices. The tannins in this wine are present in a way that coats your entire mouth and explodes with black currant and black cherry, like taking a bite into a freshly baked mixed berry pie. Hints of vanilla, clove, and cinnamon finish the wine, making my mouth water, leaving you wanting more."

Winemaker: Angelina Mondavi

Farmer: Jim Barbour

Variety: 100% Cabernet Sauvignon

Appellation: Howell Mountain, Napa Valley

Vineyard: Rocky Ridge Vineyard
