2021
TENCH VINEYARD
CABERNET SAUVIGNON
OAKVILLE, NAPA VALLEY

TASTING NOTES:

The 2021 Tench Cabernet Sauvignon is a big, bold, concentrated wine that will age beautifully for years to come. Full of ripe blackberry, boysenberry, mulberry and spice with mineral notes. The Tench Cabernet is as massive and concentrated of wine that we produce. Produced from the Tench Vineyard, Oakville AVA.

“... Tench Vineyard offers up a hugely complex, fruit-driven bouquet that blends purple raspberries, black cherries, red raspberries and cassis. It's full-bodied and richly concentrated, with a long, velvety finish.”

- Robert Parker's Wine Advocate (98-100 Points)

“From one of the top sites in the valley and all Cabernet Sauvignon, the 2021 Cabernet Sauvignon Tench Vineyard isn't far off the Calixtro cuvée, yet it's more forward and opulent, with savory red and black fruits”

- Jeb Dunnuck (98 Points)

VINTAGE:
2021
