

ARGOT

2022 CABERNET SAUVIGNON STARSTRUCK, NAPA VALLEY

WINE NOTES Accessible price point and generous palate make this wine a no-brainer. The fruit sources for this barrel selection are our three marquee Cabernet vineyards in Napa Valley.

VINEYARD A specific selection from our three marquee Napa Valley vineyard sources in Saint Helena, Oakville and Napa Valley AVAs.

VINTAGE NOTES – September kicked off with an impressive heatwave, before moderating as harvest approached, providing the freedom to pick at our leisure. Overhead misters and shade cloth provided the necessary protection to weather the heat successfully, leading to a relatively drama-free harvest season.

PRESS *“The wine boasts excellent concentration and balance, carrying through to a smooth, velvety finish. Already showing beautifully, it is accessible upon release and has the potential to evolve gracefully, offering enjoyment for at least a decade.” – International Wine Report, 92 Points*
