

Bevan Cellars

2017
TENCH VINEYARD, EE
PROPRIETARY RED

NAPA VALLEY

TASTING NOTES:

The Tench Vineyard, EE, Red Wine is 65% Cabernet, 30% Cabernet Franc and 5% Petit Verdot, and the blend gives us another layer of complexity and sophistication. This wine is suave and dapper... think Mr. Darcy in a bottle.

"... from the redder iron soils in the center of the vineyard, the 2017 Tench Vineyard EE Red Wine is another incredible wine in this lineup... it has an "iron fist in a velvet glove" style on the palate, loads of tannins, good acidity, and a big finish." - **Jeb Dunnuck, 98 Points**

"Deep garnet-purple in color, the 2017 Proprietary Red EE Tench Vineyard... strolls out of the glass... Full-bodied, densely packed, serious and savory in the mouth, it has firm, chewy tannins and a lively, long finish." - **The Wine Advocate (LPB), 96 Points**

"This stunning blend immediately begins to unfold in the glass, releasing its gorgeous aromatics... On the palate this full-bodied, with outstanding depth and concentration, with ample tannins that are plush and velvety, making for a lavish mouthfeel. Everything all comes together seamlessly ... This is another outstanding wine from Bevan that is nothing short of stunning today, but... would be a fantastic wine to tuck away... and watch it evolve over the next decade or two." - **International Wine Report, 96 Points**
