2022
ONTOGENY
RED WINE

NAPA VALLEY

TASTING NOTES:

Wow! Best of the best red wine blend of our "big boy" vineyards! This may be the best Ontogeny we have yet to produce. It is over 75% Cabernet Sauvignon, mainly from the Tench Vineyard. This is a Cabernet lovers Ontogeny! Pure, blue lush fruit profile with mouth-filling texture. Gorgeous, dark, and rich. If you are Tench fan, you will be impressed by this bottling of our 2022 Ontogeny.
