

HESTAN VINEYARDS

Napa Valley ✦ Gordon Valley district

2018 Meyer Cabernet Sauvignon

Vineyards

The Hestan Vineyard has 110 planted acres of low yielding Bordeaux varieties and is located on the Napa Valley's remote Eastern Slopes. The property was a former cattle ranch and was purchased by Stanley and Helen Cheng in 1996. The soils are well drained and the microclimate in this area is warmer than the valley floor, with an average diurnal of 30 degrees each growing season. Both the vineyard and the gardens are sustainably farmed and 100% solar powered.

Growing Season

February saw abundant rains, followed by lots of filtered light in spring and early summer. Both bud break and flowering occurred a bit late, but under ideal weather conditions, creating plentiful and even fruit set. Summer brought generous sun during the day and cooler marine influences, virtually uninterrupted by major heat spikes. The relatively mild summer followed by extended fall sunshine and moderate heat created near-ideal conditions for winemakers to allow their fruit to accumulate flavor complexity with gradual increases in sugar levels.

Vinification

The lots for Meyer Vineyard Cabernet Sauvignon are kept separate throughout winemaking to retain individual block and varietal characters. Small capacity fermentation tanks, carefully timed pump-overs and punch-downs, a mix of native and cultured yeasts, the finest French cooperage and extended aging result in a wine noted for its deep flavor and velvety tannins.

Tasting Notes

In the glass, the wine displays a nearly opaque purple-ruby hue. On the nose, aromas of black currant, blackberry cassis anise, and sweet and sour plum with a hint of black and red licorice. The palate opens with ripe plum, graham, and brown sugar with blackberries and white pepper notes. The wine is balanced with soft tannins and a med long finish. Age for 5-7 years.

Appellation: Napa Valley

Vineyard: Estate

Aging: 20 months

Winemaker: Thomas Rivers Brown

Bottling Dates: September 2, 2020

Maturation: 85% new French oak, 15% neutral French oak

PH: 3.92

TA: 5.7 g/L

Alcohol: 14.6%

Production: 4433 cases

SRP: \$85.00
