

SPOTTSWOODE

A Family Wine Estate

2021 Lydenhurst Cabernet Sauvignon

PART of Spottswode's storied history inspired the name Lydenhurst, a tribute to the fragrant linden trees that still bloom in the gardens today. Lydenhurst Cabernet Sauvignon is a dynamic and inviting wine made from grapes grown in our Estate Vineyard blended with those from other acclaimed family-owned vineyards. The relationships we have cultivated with our fellow farmers allow us to learn about and explore other appellations throughout Napa Valley. These collaborations have also allowed us to share our enthusiasm for and commitment to organic farming, with the vision of encouraging positive change in our winegrowing community. Thoughtfully crafted, this Napa Valley Cabernet Sauvignon is authentic and compelling every vintage.

Winemaker Notes: Opulent floral top notes carry you into an opaque purple core, imparting aromas of black currants, dark red cherry coulis, cigar box, and allspice berries. Powerful yet soft tannins are balanced with a delightful freshness of acidity. The palate is silky with nuanced flavors of cassis, ripe blackberry, and Morello cherry. The long finish invites you to discover the wine's evolving layers.
