2022 Beckstoffer To Kalon Vineyard

Winemaker's Notes

Sourced from the newest redeveloped block of this Oakville vineyard icon, the youthful exuberance of the fruit is matched only by the intimate knowledge and legacy possessed by this site's fabled soil. Our second vintage from this block highlights the wine's magnificent pedigree, bringing new life and vision to this already heralded plot of Grand Cru dirt. It's western bench land terroir is riddled with bale clay and loam, interwoven with ancient tributaries of rock that meander effortlessly through the landscape.

These well-draining soils produce Cabernet Sauvignon that beams with a refined and elegant precision. Invigorating notes of cassis, wild blueberries, tobacco, gravelly loam and pencil shavings lead into a voluptuous palate brimming with spiced fruits, toffee, and a magnificent texture. The mid-palate is framed perfectly by the wine's vibrant acidity and fruit-forward tannins, all culminating in a lengthy finish that is the epitome of power and grace.
