SUGARLOAF MOUNTAIN VINEYARD
PROPRIETARY RED

NAPA VALLEY

TASTING NOTES:

The 2021 Sugarloaf Mountain Red Wine is as perfect a wine from Sugarloaf Mountain as we have ever produced. Dark, lush, plush, silky and sexy. Mouthwatering acidity balances with the plushness of the ripe berry fruit characteristics. The Cabernet Franc adds a touch of tobacco quality. A beautiful wine that will only become more stunning with age. Produced from the Sugarloaf Mountain Vineyard, Napa Valley AVA.

"...a 60-40 blend of Cabernet Franc and Merlot from this vineyard... loaded with purple raspberries and cherries, this is really complex, with lovely fruit. Full-bodied, supple, silky and seamless, it finishes long and elegant."

- Wine Advocate (98-100 Points)

"Gorgeous blue fruits, mountain scrub brush, sage, espresso, black raspberry, and violet notes all emerge from the 2021 Proprietary Red Sugarloaf Mountain Vineyard, a blend of Cabernet Franc and Merlot that's full-bodied and has terrific overall balance"

- Jeb Dunnuck (97+ Points)
