THE CALIXTRO CABERNET SAUVIGNON

Oakville, Napa Valley

What has now become a perennial favorite in our Cabernet lineup returns for its 7th year. Lively on the front of the tongue, rich with an incredible finish. A classic Oakville Cabernet showcasing cassis, raspberry and cherry in a dark fruit cocktail. Firm tannins speak to a long future. Hints of toast and anise give the wine an amazing complexity. This is as intense as valley floor wine can be.

“The deep purple-hued 2023 Cabernet Sauvignon Tench Vineyard The Calixtro offers a dense, more structured, serious profile in its cassis and darker berry fruits as well as espresso, graphite, spicy oak, and a Graves-like scorched earth note. It’s incredibly concentrated, has full-bodied richness, awesome tannins, and a great, great finish. This is pure gold.”
