## SENTINEL RIDGE VINEYARD CABERNET SAUVIGNON

*Howell Mountain, Napa Valley*

Produced from the Sentinel Ridge Vineyard located in the Howell Mountain AVA, this 2023 vintage bottling just sings. Vibrant notes of mulberries, blueberries, and blackberry bramble, layered with a touch of dusty earth. The rich blue fruit follows through on the palate, lifted by a whisper of wild lavender. Medium acidity and finely integrated tannins create a supple texture, great mouthfeel, and an elegant, lingering finish. 100% Cabernet Sauvignon aged in 100% new French oak. Limited production.
