2023 CABERNET SAUVIGNON STARSTRUCK, NAPA VALLEY

WINE NOTES A barrel selection chosen to represent the more generous, approachable and seductive side of Napa Valley Cabernet Sauvignon, with an emphasis on purity of fruit and rich, refined tannins. Accessible price point and generous palate make this wine a no-brainer.

VINEYARD A specific selection from our three marquee Napa Valley vineyard sources in Saint Helena, Oakville and Napa Valley AVAs.

VINTAGE NOTES The 2023 vintage is our favorite in the 15 years we have been working in The Napa Valley. A strikingly consistent year—never cool, never hot—that calmly moved along, allowing for even ripening, and harvest to occur at our discretion.

PRESS *“A wine of depth and dimension, showcasing a deep, saturated hue and an aromatic profile that immediately commands attention.” – International Wine Report, 94 Points*
